Julie Fam (Pham Dzuy Ly) is a Vietnamese traditional musician. She was born in Bulgaria and grew up in Vietnam graduating from Vietnam National Academy of Music after 12 years of study. She has played Dan Tranh, a 19 string plucked zither, in many countries before she came to New Zealand.

IPC Japanese Drum Team
Kodama was founded over 20 years ago by one professional Japanese drummer.

"Over the past years, captains and members put themselves into the songs handed down to them from member to member. This year, we have given over 20 performances all around New Zealand".

This is part of a series of performances under the banner of *Musicians for the Sarjeant*. A fundraising group for the Gallery's redevelopment project.
